

AROUND THE WORLD AND OUR SCHOOL

Learning English with ICT

Dear Students if you are interested in your language education and self-development these are the questions you should consider:

- How often do you study a foreign language at home?
- How often do you revise vocabulary?
- Do you check new words in a dictionary?
- Do you know where you can find an unknown phrase or a word?
- Do you do any tests online preparing e.g. for an English test at school?
- Do you use the internet as a mine of information?

If your answers are mostly yes, it means that you want to know more and be better and better.

You should also know that by means of the net you can broaden your mind and knowledge and brush up your language skills. These are the websites that are worth checking:

<https://www.pixton.com/> - it's a perfect tool, you can create your own comics in English

<http://www.makebeliefscomix.com/Comix/> - also used for creating comics

<http://www.learningchocolate.com/> - you can revise your vocabulary and learn new word here

<http://www.agendaweb.org/> - you can find not only grammar summary, tests but also some listening, reading exercises, games and songs

<https://quizlet.com/> - if you have problems with remembering new words you can easily create a set of flashcards that you can use at any time to remind them and learn by heart

Our pen pals from Greece

W tym roku szkolnym 2015/2016 będziemy również kontynuować wymianę korespondencji z naszymi kolegami z Grecji, ze szkoły podstawowej w Larissie. W zeszłym roku wymieniliśmy się maskotkami w ramach realizacji szeregu projektów dotyczących naszych tradycji, obyczajów, kultury. Naszym rówieśnikom wysłaliśmy Bolka, Lolka i Pingu. Natomiast od nich otrzymaliśmy Ifigenię.

Ifi towarzyszyła nam podczas całego roku szkolnego, ucząc się i bawiąc razem z nami. Podczas wakacji natomiast zwiedziła ciekawe miejsca w naszym kraju. Postanowiliśmy zebrać jej przygody i stworzyć książeczkę, którą prezentujemy na następnych stronach naszej gazetki internetowej. Mamy nadzieję, że się Wam spodoba.

Książeczka *'Ifi's adventures'* jest pierwszym z cyklu projektów realizowanych w ramach programu Erasmus+. Teraz czekamy na książkę o przygodach naszych maskotek w Grecji.
